

Would you own an AUTOMOBILE with only one speed? No? Then can't you see the folly of owning a MOWER with only one speed?

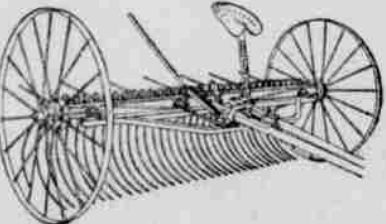

Thomas "Crown" Two Speed Mower

THE ONLY TWO-SPEED MOWER
BUILT IN THIS COUNTRY

No other mower has this Two Speed feature. Use the slow speed for ordinary grass, thus saving your team and temper, as well as the wear of the machine. Descriptive circulars of this mower for the asking.

Thomas Rakes

The Thomas rakes are different. Many surprising features that will please you. Investigate this make before buying another.
